

Univie Teaching Award Social Sciences 2025

Submission form for the category „Successfully researching social phenomena “

- Please pay attention to the **criteria** and **questions** when preparing your submission.
- The **number of characters** in each field is limited. Therefore, present all important points briefly and precisely.
- You can optionally include **attachments** with your submission (see below). However, essential information about your course should be included in this submission form.

Submitting person(s) (name, department) (max. 200 characters including spaces)

Basic information about the course (max. 1,000 characters including spaces)

Title and type of course, new course or already repeated (several times)? Part of which study program (Bachelor, Master, diploma, doctorate; beginning of study or advanced phase, etc.)? How many students are participating?

Summary description of the course (max. 1,000 characters including spaces)

Study objectives, schedule, examination requirements

Implementation of the criteria (max. 4,000 characters including spaces)

Please answer the following **questions** taking the **criteria** ([HERE](#)) into account:

- How are students supported and guided in identifying a **social issue or problem**?
- What **teaching and learning methods** are implemented to support students in developing their research project or research design?
- How are students **supported** during the implementation of their research project (e.g. in terms of time management or coping with complex tasks)? What role do **feedback loops** or Moodle tools play in this?

Please submit your **documents** (completed submission form and PDF of the course catalogue's entire course announcement) by email to teachingaward.sowi@univie.ac.at no later than **April 16, 2025**. If available, you can optionally attach the syllabus and course evaluation(s) to your message. If you have any questions, please contact us at the email address provided here.

We look forward to receiving your submission!
